

Appl. No. 10/566,536
Response dated October 19, 2007
Reply to Office Action of Apr. 19, 2007

IN THE DRAWINGS:

Attached are Replacement Drawings.

Figures 1-8, together with additional figures which help clarify what was submitted in the original application and what is being submitted in the Substitute Specification.

Applicant would assert that the new drawings are a clarification of the disclosure that was originally filed in the parent application, and does not constitute new matter.
